Bio Touch Course

Training for PMU Skilled professional

Bio Touch welcomes all permanent cosmetics artists who wish to further develop their techniques and skills.

- ✓ **Conversion Course option**
- ✓ **Individual Skill improvement Course Options (Refresher)**
- ✓ **Workshops**

- **Refresh and perfect your skills and techniques**
- **Select from a range of courses, depending on your current skill level and needs**
- **Receive a certificate of attendance for workshops**

If you are qualified elsewhere and simply want to focus on improving on certain areas, our individual course options may be the perfect route for you. For all Workshops, upon completion of training you will be awarded a certificate of attendance.

Tailored course packages are designed to meet your developmental needs

- Become a Bio Touch trained/qualified artist
- Master new skills and techniques
- Includes full Bio Touch post-training support

If you want to improve your skills, plus gain a qualification recognized by insurers and clients alike, we recommend our bespoke conversion course.

We can tailor a package just for you, offering a selection of courses based on an analysis of your current skills and requirements in terms of how far you wish to progress on a professional level.
